John Cselovszki

Superintendent/Elementary Principal

Shane Laffen

High School Principal

Minnesota Department of Education released guidance to Food Service sponsors on September 4th, 2020, allowing them to run a Summer Food Service Program (SFSP) through December 31st, 2020 or until funds are exhausted. This program offers **free** Breakfast & Lunch to all kids.

Sleepy Eye Public Schools has set up a daily pick up site at the Elementary front doors from 9-10am for students not attending on site. It is very helpful to know ahead of time if you will be partaking in the meals. Sign up is not required, but appreciated, and can be sent via email to taher@sleepyeye.mntm.org.

It is important to note that Free & Reduced applications still need to be completed and turned into the district office. This is **very** important so please turn in as soon as possible.

Please let me know if you have any questions!

Abby Grove

Taher Food Service Director
