Virtual Learning Expectations

Requirements for the virtual learning platform will be different from the distance learning platform. Unlike distance learning, students will be virtually present by logging into their classroom setting daily. Expectations include the following:

- Students are expected to be logged into classes all day.
 - Elementary 8:00-2:45
 - High School 8:00-3:01
- Classroom teachers will be live streaming lessons through the Google Meet video conferencing tool.
 - Students should log into the Google Meet using the provided link.
 - Elementary will find the link in Google Classroom.
 - High School will find the link in Schoology.
- Students will be expected to view live streaming lessons for daily attendance.
- Absences should still be reported to the office (elementary/high school).
When an excused absence occurs, students may view recorded lessons which will be sent by the teacher.
 - K-4 lessons sent through Google Classroom
 - 5-12 lessons will be sent through Schoology
- Students will have the following break times throughout the day:

Elementary	High School
Recess (15 minutes x 2) Lunch Phy Ed	Mid-Morning Break Lunch

- When in-person, virtual learners will be required to report daily.
- When hybrid, virtual learners will be required to report only on their scheduled A/B day.
- In addition to these expectations, individual teachers will share information with their students.

Contact Information

If you have questions regarding the content or lesson delivery, please contact your elementary or high school representatives. If you have technology-related issues please contact the technology coordinator.

Samantha Schmit Elementary Representative
